

SAVE & LEARN IN THE NT

Tourism NT understands that cost is a major factor when planning an excursion for your students. So Tourism NT have put together the Northern Territory School Excursion Program for which schools can receive up to \$1000 to go towards their school trip to the NT. Simply apply online to Save and Learn!

TERMS AND CONDITIONS

Northern Territory School Excursion Program

- Entry is open to any school outside the Northern Territory. The excursion must meet the following minimum requirements:
 - Minimum 10 students in the group
 - Itinerary must be for at least five (5) nights in the Northern Territory
 - The trip must depart between 1 July 2018 and 30 June 2019
 - Include at least three of the NT Learning Adventures experiences found on www.ntlearningadventures.com

Applying for the program

Your application must include:

- NT Learning Adventures registration form completed in full
- A detailed itinerary, showing main activities day by day
- A statement of no less than 250 words explaining how your educational outcomes will be met on this excursion
- A 'proof of purchase' of the school excursion. (This could be proof of deposits paid, airline travel booked, and receipts from tour operators or tour companies or other related parties. Tourism NT reserves the right to substantiate these claims prior to payment of the program)
- All applications must be received six (6) weeks prior to travel.
- An amount of \$1000 will be provided as a lump sum only to the school. The school will be required to complete a vendor form along with sending an invoice to Tourism NT for the amount, and the amount will only be paid into the financial account of that school.
- Schools may submit more than one application if there is more than one group planning to travel to the NT from that particular school. The school shall retain discretion in allocating the funds between groups, in this case.
- All applications must be accompanied by the enclosed/attached registration form, which must have all fields completed and must be signed by the school principal or other authorised person.

After approval

- The approved school agrees to feature the NT school excursion and awarded support from Tourism NT, as well as the Tourism NT logo, in school newsletters, social media or other marketing communications that are available to the school and promote student activities. Tourism NT will provide a logo in suitable format. Any related material produced must be shared with Tourism NT.
- The approved school is required to provide Tourism NT with a report (in any format) on the excursion, produced by the teacher or students. This report must be delivered to Tourism NT no later than six (6) weeks after returning from the NT. Any images included in this report must be accompanied by a signed Talent Release Form for every person included in those images.
- If the planned excursion is cancelled for whatever reason, any monies paid as part of the funding must be returned to Tourism NT.
- Those schools with approved applications will be notified by phone or email.
