

# RED CENTRE TRIP

For a trip that reconnects you with nature and introduces you to a spiritual awakening, the Red Centre is for you! The Red Centre is filled with life-changing experiences that will help you embrace the true Australian Outback.

## ALICE SPRINGS DAY 1

Arrive in the true heart of Australia, check into the Hilton Hotel and then make the hard decision of whether you head straight to the hotel pool, or make your way into town and acquaint yourself with the local restaurants and bars. You'll be surprised that Alice Springs coffee actually gives Melbourne a run for its money!

**DAY 2** Explore the Alice Springs Desert Park and learn all about all the cuddly and creepy critters that fill the outback. You can also learn about native bush tucker, the desert eco-system and watch an incredible bird show!

**DAY 3** You are in for a day of pinching yourself as you marvel at the majestic MacDonnell Ranges. Enjoy the day exploring the gorges, waterholes, flora and fauna that make up this breath-taking destination. The West Macs include a number of 'outback beaches' so bring your swimmers, towel and even a floating device (flamingos and unicorns accepted).

## ULURU-KATA TJUTA NATIONAL PARK DAY 4-6

It is time to kick your trip into overdrive with a Goanna Dreaming Red Centre 4WD tour. Get some red-dirt on your boots as you explore Uluru (Ayers Rock), Kata Tjuta (The Olgas) and Watarrka (Kings Canyon).

Secluded roads will lead you to private bush camps where you can choose to go full Crocodile Dundee (minus the crocs) as you sleep under the stars on a swag or escape to a bit of privacy in a safari tent.

Get to know one of the oldest living cultures in the world as you participate in an indigenous cultural exchange at Uluru including an Aboriginal Guided Walk. To top it all off you will experience the 'Endless Star Dining' at Uluru, with tasty treats cooked over the campfire.

## ALICE SPRINGS DAY 7

As you leave the Red Centre reflect on your emotive journey and rest assured that the memories you have made will leave you forever changed.
